About Willed by Wellness Counseling and Consulting LLC:

Willed by Wellness is dedicated to enhancing mental health support for Black women and girls ages 13+. We provide culturally-informed, strength-based therapy that emphasizes inclusivity and empowerment. Our team is committed to fostering mental well-being through innovative, compassionate care.

Job Function:

Other

Job Summary:

We are seeking a Licensed Mental Health Clinician to join our team. This role involves providing high-quality individual and group therapy, handling crisis interventions, and contributing to the growth and development of our practice. The ideal candidate will be experienced in working with diverse populations, particularly within the Black community, and will demonstrate a strong commitment to cultural competence and excellence in mental health care.

Job Description:

Key Responsibilities:

Clinical Services:

- Deliver individual and group counseling and psychotherapy to clients, including crisis intervention and emergency psychological support.
- Develop and implement treatment plans tailored to the needs of Black women and girls, and BIPOC communities.
- Provide culturally-responsive and strength-based therapeutic interventions.
- Supervision and Training:
 - Offer clinical supervision and guidance to unlicensed trainees and interns, ensuring adherence to professional standards and ethical practices.
 - Participate in ongoing professional development and training to enhance clinical skills and knowledge.

Community Engagement:

- Collaborate with community stakeholders and organizations to promote mental health awareness and support.
- Contribute to outreach initiatives and educational programs that align with the mission of Willed by

Wellness.

- Engage in activities that foster a supportive and inclusive environment for clients and staff.
-

Administrative Duties:

- Maintain accurate and confidential client records in compliance with HIPAA regulations.
- Participate in team meetings and contribute to program development and improvement.

Requirements / Qualifications:

For Licensed Clinicians:

- Master's degree in Social Work (MSW), Clinical Mental Health Counseling, Marriage and Family Therapy, or a related field of study from an accredited program.
- Current licensure as a psychologist, licensed clinical social worker (LCSW), licensed professional counselor (LPC), or licensed marriage and family therapist (LMFT) in your state of residence.
- Minimum of 3 years of post-licensure experience in a clinical setting, with a strong background in working with diverse and marginalized populations.
- Demonstrated expertise in providing culturally-responsive therapy and understanding the unique mental health needs of Black women and girls, and BIPOC communities.
- Commitment to understanding and demonstrating lifelong learning and growth in areas related to Equity, Diversity, Inclusion, and Belonging (EDIB) concerns.

Preferred Qualifications:

- Experience in a remote or hybrid work environment.
- Prior involvement in community outreach or advocacy related to mental health.
- Knowledge of intersectional approaches to mental health care.
- Experience, training, and a desire to serve QTBIPOC individuals, and couples.
- Specialized training in child/adolescent mental health; trauma-informed approaches; couples therapy

Desired Attributes:

- Strong commitment to cultural competence and inclusivity.
- Excellent communication and interpersonal skills.
- Ability to work collaboratively in a virtual team setting.
- Proactive and empathetic approach to client care and professional development.

Compensation (Salary or Hourly Rate)

\$50/hour

Benefits:

- Competitive salary commensurate with experience and caseload.
- Comprehensive benefits package including health insurance, retirement savings, and professional development opportunities.
